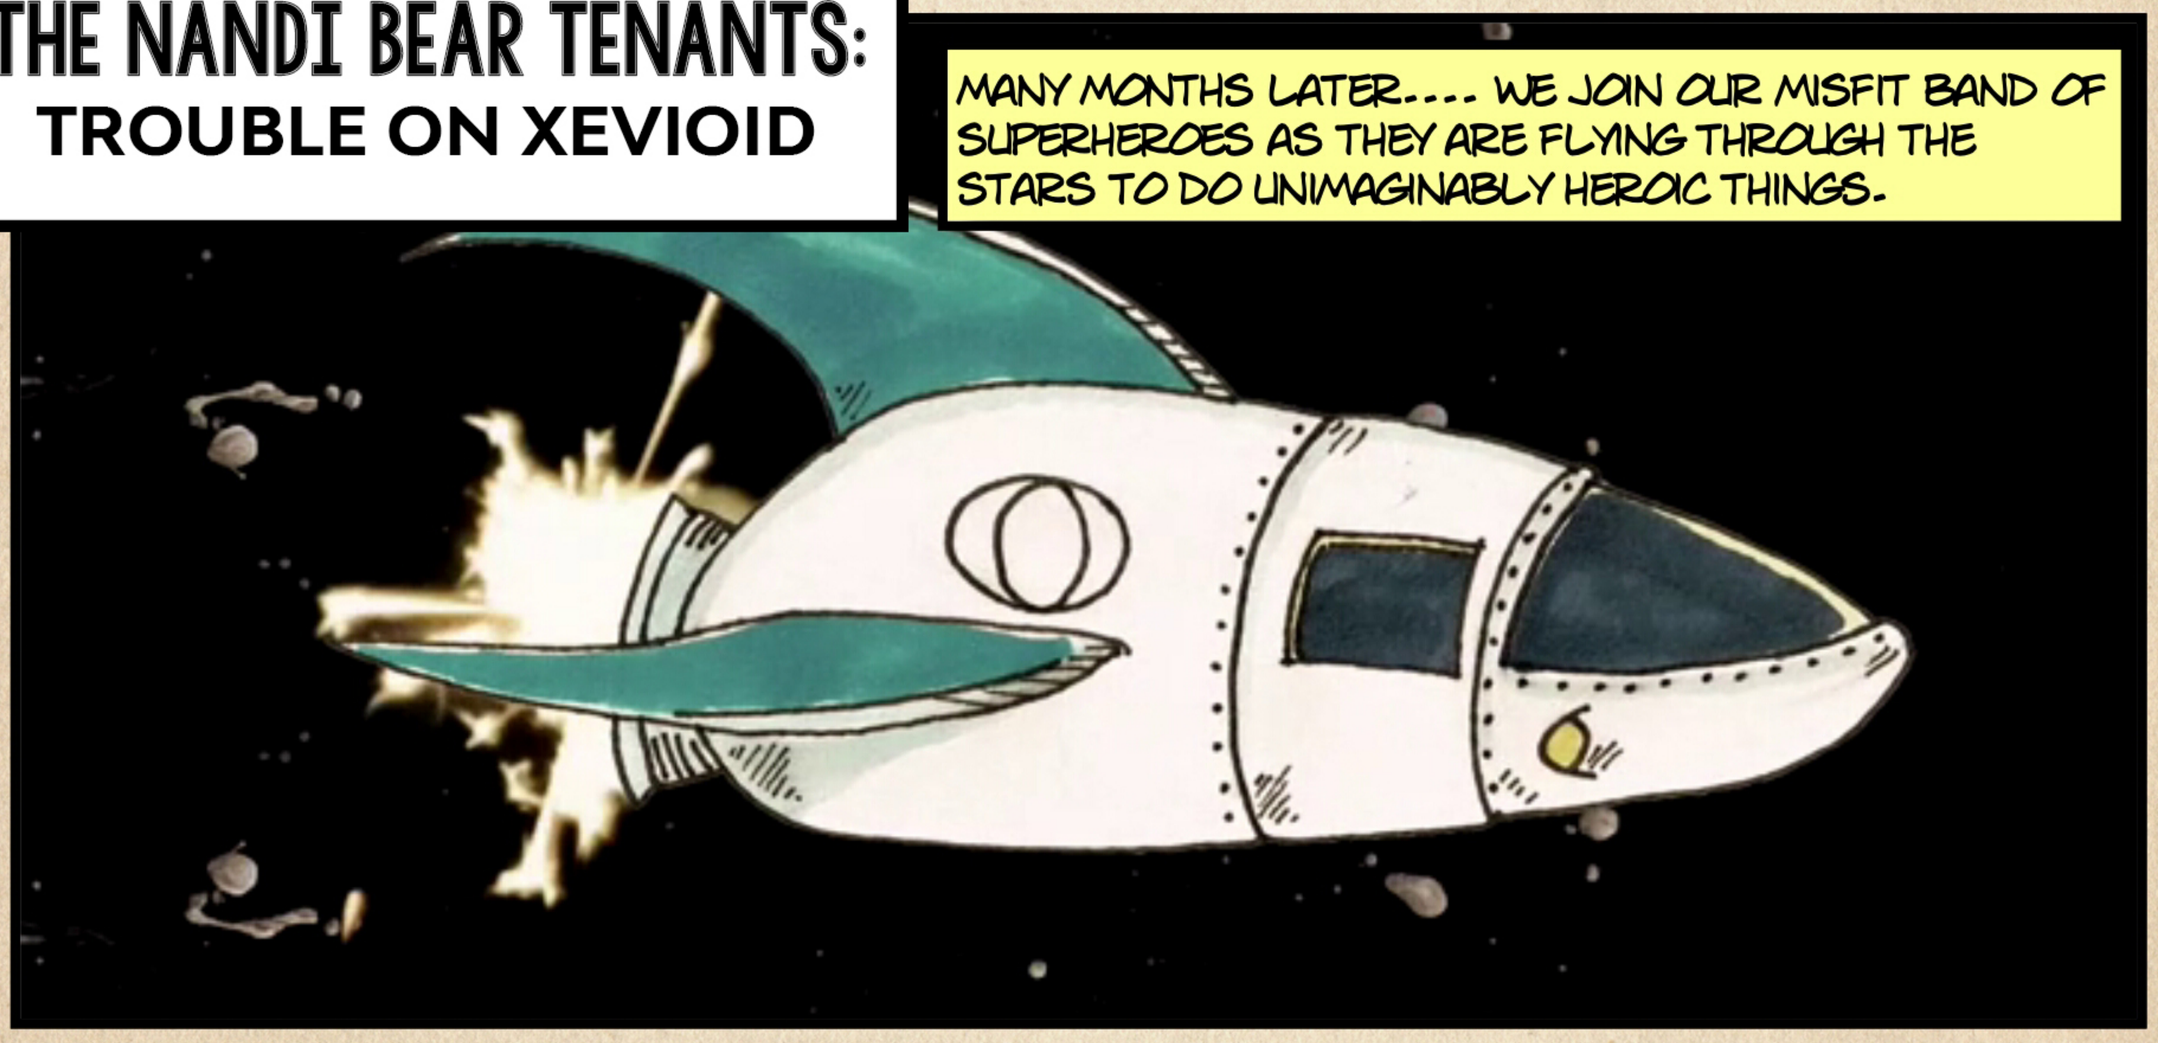
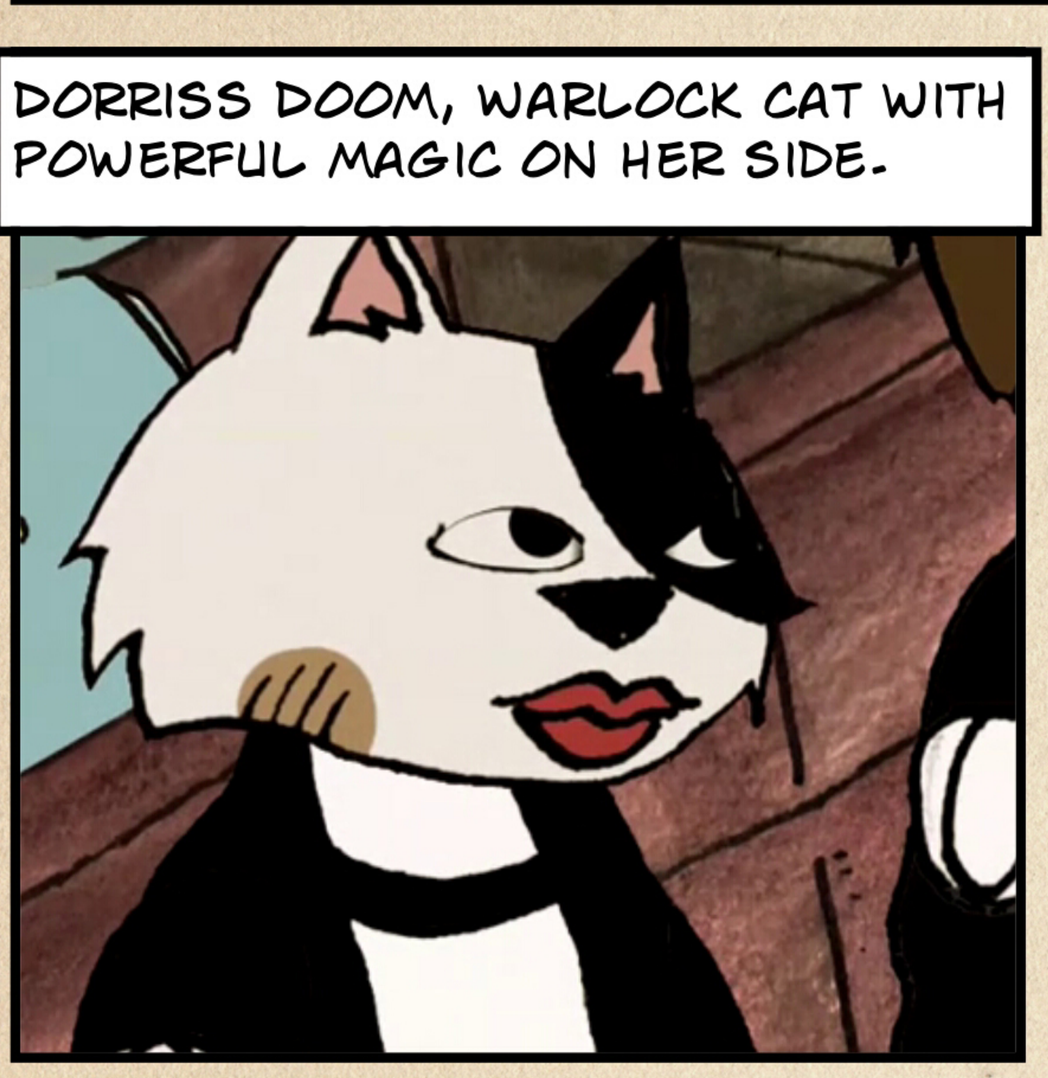
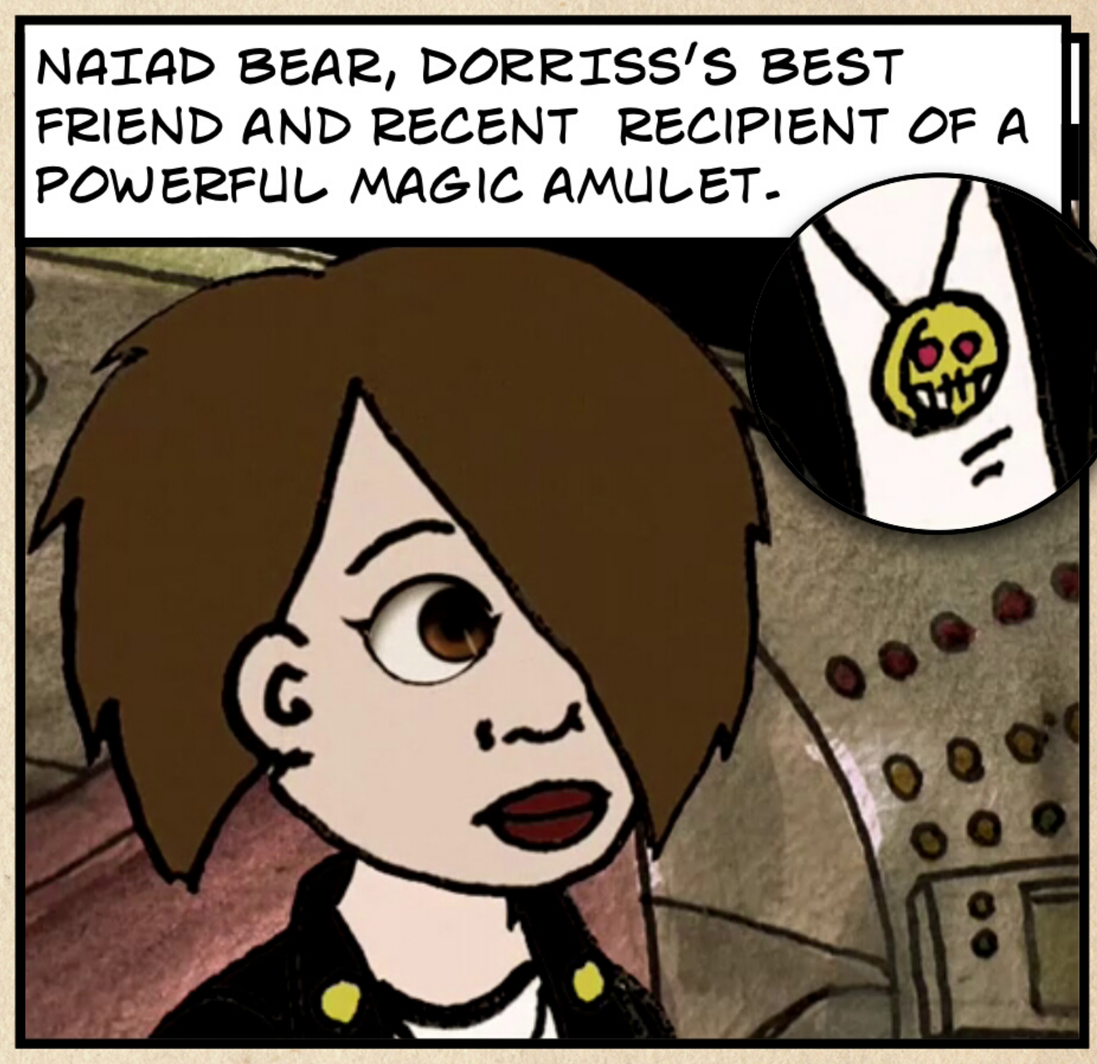
BLAISE KOLODYCHUK PRESENTS:

THE NANDI BEAR TENANTS:
TROUBLE ON XEVIOID



MANY MONTHS LATER.... WE JOIN OUR MISFIT BAND OF SUPERHEROES AS THEY ARE FLYING THROUGH THE STARS TO DO UNIMAGINABLY HEROIC THINGS.





What's our destination Veltrax?

According to our intelligence, the astronaut we are supposed to rescue is on planet Xevioid. We will be there in a couple hours.

I m sure glad that the international Space agency trusted this mission to us. It could really help us out after all the bad luck we have been having.

Having our home, the Nandi Bear Mansion burn down has been a major setback. But unexpectedly taking over the Minehead Orphanage has definitely been a worthwhile venture.

I agree, being responsible for those 7 kids is kind of wonderful.

I still haven t even been to the Orphanage since you took it over. I will stay for a while when we get back to Earth.

Do we have any idea what happened to this missing astronaut?

No clues yet Klor, but I imagine we will find out when we get to planet Xevioid.

BACK ON EARTH, WITHIN THE MINEHEAD ORPHANAGE, FRIENDS OF THE WORLD FAMOUS NANDI BEAR TENANTS, ROSE AND RICK THE GHOSTLY HEAD, ARE WATCHING THE CHILDREN WHILE DORRISS AND

NAIAD ARE AWAY ON THE

Yes. I read to them from my favourite book, Sleepy Hollow, to help them to sleep.

Rick, did all the children get to bed okay?

I hope the gang stays safe on this astronaut rescue mission.

I m sure they will be fine. They are experts in the art of heroic activities.

Oh RICK. I miss running the Nandi Bear Mercantile so badly. It was the job I had always dreamed of. The cafe and the customers, and being your boss.. All of it was so perfect.

And then it all burned down, didn't it. A very sad situation. I didn't even mind being your employee.

Perhaps we can open another restaurant some day.

Maybe, but I wouldn't bet on it. Hey, do you smell cabbage?

THE YOUNGEST CHILD, ZUZU, COMES INTO THE KITCHEN WHERE THEY ARE TALKING.

ZUZU! I knew it was you when Rick said he smelled cabbage! Why are you still awake? Is everything okay?

I m fine, my sister Grulu was snoring and it woke me up. I thought I would see what you guys were doing.

We were about to have a midnight feast of orange juice and French toast! You are more than welcome to join us!

Oh boy! Wait till Grulu finds out I got to have a midnight feast with Auntie Rose and Uncle Rick the Head!

PLANET XENOID- WHERE THE LAND IS LIKE A STRANGE WASTELAND FROM A BONKERS DREAM. IT IS HERE THAT OUR HEROES HAVE COME TO FIND A MISSING EARTH ASTRONAUT.

So where do you think we go? There doesn't seem to be any landmarks.

Well we should split up to cover more ground. Naiad, you come with me, and Veltrax you go with Klor.

Yes, make sure to keep your communicator on you at all times. They also contain a homing device in case someone gets lost.

Do you really think we should split up? Thats always the worst idea in scary movies!

But this isn't a scary movie, and there was nothing in our information that said we might encounter anything bad!

But you still never know.. So be careful Klor!

THEY GO OFF IN SEPARATE DIRECTIONS

So where should we head old friend?

It looks more rocky in that direction.. Maybe we should go that way. It s what R2D2 would do.

Good call, if the astronaut crashed here he would try to find somewhere with caves and stuff to make a shelter. Let's go.

MEANWHILE...

I wish I would have brought a lunch. I m starving!

I have a granola bar in my coat pocket, but I think it s from a couple years ago. But it s yours if you want it.

I want it. Thank you for your gross pocket granola.

This is why I'm your best friend.
